

## Stainless Steel Cable Management

### Our History

Based at our purpose built manufacturing facility conveniently located just outside London, England. Lasnek is a premier manufacturer of Stainless Steel Cable Management products.

With over 30 years of engineering expertise in stainless steel fabrication, Lasnek has consistently demonstrated our commitment to quality, service and technical innovation by supplying manufacturing, installation and production companies high quality solutions and components.

### Why Choose Lasnek?

- We specialize in stainless steel fabrication techniques guaranteeing a quality product
- Substantial manufacturing facilities provides control of our extensive inventory
- Our in house design team turn concepts into reality for bespoke applications
- Same day shipping available
- Large US inventory

### **Company Commitment**

'To provide the highest quality support, from concept and manufacturing to timely supply – our pursuit is excellence in quality stainless steel cable management products.'

UK Head office

Lasnek Chicago facility Aurora IL

'The pursuit of excellence in the concept, design, manufacture and support of stainless steel cable management products.'

### Installations Worldwide

## Stainless Steel KM Series

## Type 1 Wireway

### **KM Series Wireway Key Features**

- 3M (10ft) lengths complete with coupler
- Supplied complete with Cover, Coupling & Fixing Screws
- Covers available in three configurations
- Stainless Steel Grade 304 "Food Grade" 1.2mm (18 SWG) thickness
- Shipped in protective plastic coating
- Satin Finish
- Wide range of fittings and accessories
- Stock available in 2" to 8" widths

### **Options Available:**

- Larger sizes to 24" wide
- Stainless Steel Grade 316 "Marine Grade"
- Dividers and cable retainers
- · Custom fittings and cover configurations

### KM Series Trunking System

...Used extensively in production environments...

- Corrosion resistant
- Suitable for hygienic areas
- Quick and easy to install
- Offers high degree of mechanical protection
- Reduces radiated EMC

### **Product Specification:**

Material:	304 - 1.4301 Stainless Steel 316 - 1.4404 (optional)
Thickness:	1.2mm (18 SWG)
Finish:	Dull Polish Satin – 220 grit

## Stainless Steel TT-S10 Series

In Stock Availability www.lasnek.com

## Perforated Apex Wireway

### TT-S10 Series Wireway Key Features

- 3M (10ft) lengths complete with coupler
- Supplied complete with 10 degree Apex Cover and screws/nuts
- Fitting covers available in three configurations
- Stainless Steel Grade 304 "Food Grade" 1.2mm (18 SWG) thickness
- Change of cover direction kits available
- Satin finish
- Wide range of fittings and accessories
- Stock available in 2" to 6" widths
- Shipped in protective plastic coating

### **Options Available:**

- Larger sizes from 8" to 24" wide
- Stainless Steel Grade 316 "Marine Grade"
- Dividers and cable retainers
- Custom fittings and cover configurations

### TT-S10 Series Perforated Apex Wireway

## ...One system all the features...

- For use where flat surfaces are prohibited
- Reduction in build up of unwanted debris
- Durable and with high protection to corrosion
- Hygienic and aesthetically pleasing
- Easy installation
- Offers high degree of mechanical protection
- Reduces radiated EMC
- Compatible with the Lasnek TT series

### **Product Specification:**

Material:	304 - 1.4301 Stainless Steel 316 - 1.4404 (optional)
Thickness:	1.2mm (18 SWG)
Finish:	Dull Polish Satin – 220 grit
Standards:	cUL Listed
Availability:	In stock for immediate shipping

## Stainless Steel KM & TT Accessories

### **Increased Hygiene** ...Cost effective solutions...

A range of accessories to suit both Apex and Type 1 wireways providing added value to any installation.

- Compatible with all Type 1 and Apex Wireway systems
- All catalogue sizes available
- Reduces the need for onsite fabrication •
- Quick connection to vertical drops •
- Ability to change cover plane •
- Switch between Flat and Apex Covers
- Seamless connectivity between all sizes
- Fast delivery

## Stainless Steel XE Series

## **Open Wire Basket Tray**

### Wire Basket Tray Features:

- Easy transportation using 2.5M (8<sup>1</sup>/<sub>4</sub> ft) length
- Choice of nine different widths ranging from 2" to 24"
- Additional strength with wire thickness of 8 SWG to 4 SWG
- Reduced deflection with side profile heights of 2" & 4"
- Easy cable clamping with a minimum of two wires in the base for widths >6"
- Additional strength with M8 and unique coupler giving free location of any joint
- All fixings and lengths in Stainless Steel Grade 316 with the addition option of Stainless Steel Grade 304 lengths only

### **Applications include**

- Food Processing Low Level Process Environments
- Machinery Production Line Equipment
- Civil Works Tunnels and Bridges
- Oil & Gas On Shore and Offshore
- Marine Commercial and Naval

### Wire Basket Cable Tray

# ...Quality and strength, a winning combination...

- Designed specifically for process environments
- Ideal for installations at lower levels
- Variable support distances up to 6<sup>1</sup>/<sub>2</sub>ft
- Quick installation with independent location of any coupler
- Robust construction using the latest robotic induction welding techniques
- Minimal deflection levels with a choice of two wall profiles
- Choice of nine widths with a diverse range of fixings and accessories

### **Product Specification:**

Material :	304 - 1.4301 Stainless Sta (lengths only) 316 - 1.4404 (optional)		
Lengths:	8 <sup>1</sup> / <sub>4</sub> ft Width / Wire Diau 2"- 3" / 0.16" 4" - 12" / 0.20" 16" - 24" / 0.24"	meter	
Side Profile:	2" or 4"		
Fittings & Fixings:	316 - 1.4404		
Standards:	cUL Listed IEC61537	LISTED

### Supporting Wireway ...With quality brackets...

A range of individually developed brackets specifically for Lasnek wireway ranges

- Offset Brackets designed for fixing to conveyor side panels
- Cantilever Brackets for fixing to vertical structures
- Stirrup Hanging Bracket for single rod ceiling fixing for wireway up to 6"
- Universal Stand Off Brackets for horizontal or vertical support
- Channel Hanging Brackets for rod and ceiling support systems
